

NST Utility Stool

NST Utility Stool

The Steelflex® NST Utility Stool is designed to align your body to perfect seated posture and reduce stress on your back without restricting movement. Both seat pads are mounted to the heavy-duty 2" x 2" and 2" x 3" oval tube mainframe, which is constructed from 11-gauge high-tensile strength steel for maximum strength and features an extra-wide base that ensures lateral stability. The thick durable upholstery is tear resistant and guaranteed to provide a lifetime of comfort and support without ever bottoming out. Whether it is in a home or commercial setting, the NST is the best seat in the house!
