

## XT8000D TREADMILL

The Steelflex XT8000D Full Commercial Treadmill uses a full commercial grade DC motor enabling a really rigorous workout. Ideal for commercial settings, it is aimed at beginner to intermediate users. It has a speed range up to 19km/h and up to 15% powered elevation, ensuring users experience an outstanding workout while using this professional treadmill. The treadmill is solid and sturdy with a powerful 4.0HP motor drive unit. It has an extra large running area with a 2.6cm thick, cushioned decking that can withstand the longest of runs. The treadmill has a 3 window LED display console which features a total of 22 fitness programs, including 2 manual, heart rate control, walking, running, fat burning, interval and cardio. All these programs aim to aid and motivate users to reach their fitness goals.
